STUDENT STUDY STRATEGIES & ACADEMIC ROUTINES [SAMPLE RESOURCE]

Practical study habits, revision methods, and organization tips for students.

Effective Learning & Revision Strategies:

1. Active Recall: Test yourself regularly rather than passively re-reading notes.
2. Spaced Practice: Review key concepts across multiple short study sessions.
3. Concept Mapping: Connect related ideas with diagrams, flowcharts, and mind maps.
4. Structured Study Environment: Maintain a quiet, well-lit, distraction-free space.
5. Ask for Clarification: Consult teachers early whenever a topic seems challenging.

Study Support Available at Horizon:

- Library Study Hall: Open Monday to Thursday until 4:30 PM
- Peer Tutoring Circles: Supported by senior student mentors in core subjects
